. . . AND THE SEASONS THEY GO

ROUND AND ROUND . . .

The Lauretana 1972

The class of '72 lovingly dedicates
this yearbook to you,
Sister Louise Mary

Not one of us knows what effect his life produces and what he gives to others; that is hidden from us and must remain so, though we are sometimes allowed to see some small fraction of it.

We wish to express our gratitude to a person who finds value in every sort of activity and in each one of us; to an individual who loves life and transmits warmth and support, despite rainy days when we almost gave up.

In just a few seasons, we have come to know your many talents, the sincerity of your smile, and patience as our moderator.

To know you, is to love you, Sister Louise Mary.

Yesterday a child came
out to wonder caught a
dragon-fly inside a jar

Fearful, when the sky was
full of thunder

And tearful at the falling
of a star.

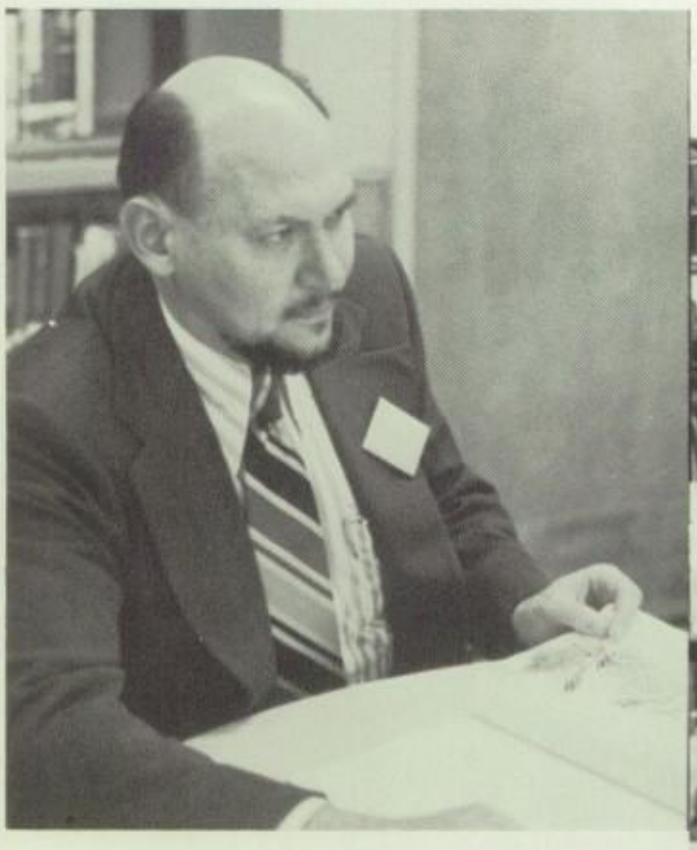
WASC . . . For several seasons it was part of our lives and then one winter day the committee came. For three days we shared with them our daily lives and Loretto.

Sister Mary Bride, principal of St. Lucy's Priory School, is the chairman.

Father Dumphy is principal of St. Bernard's High School.



Dr. Dale Knapp is on the faculty of Cal. State, LA.

Sister Rosalie explains the Group Guidance Program.

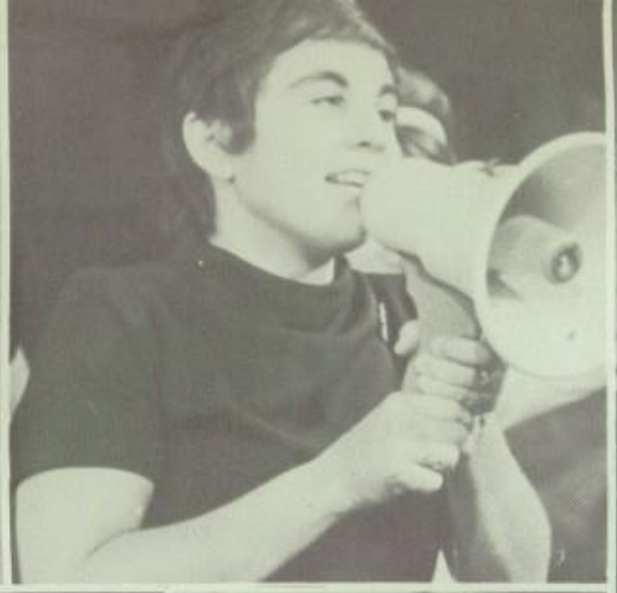
Sister Suzanne discusses Social Studies curriculum.

Mr. Alan Hix, assistant principal of Mark Keppel High School, is seated next to Sister Benigna, curriculum coordinator for the Archdiocese.
Sister Mary Bride discusses the math department with Miss Rouchleau.

Sister David Emmanuel, Regional Assistant for the Holy Names Sisters, is seated next to Sister Mary Bride.
The committee gives its report . . .

while the faculty and Lucinda listens.

Then it was over!



16 springs and 16 summers
are gone now.

Para mi amor y mi vida Bertha,
desde el primer dia que la
conocí (Junio 19) me enamore de
usted, usted bien sabe que yo
la quiero mucho, y que tu
también me quiere mucho.
no importa lo que pase,
yo siempre la amare
y la llevare en mi corazon.
Nunca la voy a olvidar, porque
ud. me hecho sentir amado y
importante. Nunca dejare que
ud. se vaya con otro (Gilbert) porque
si me la quitan lo mato a el. y a
ud. pero si ud. se va por su gusto,
sea bien y entienda que
nadie la podra querer y hacerla mas
feliz que yo.

con todo mi
amor y cariño

The seasons have ended, but still the cycle will continue. Soon, a new spring will be born, yet it shall never replace the memories and realities which filled the "first four" because they are unique in all the world. It is in remembering where we have been and what we have experienced that makes us look back fondly.

Our sincere thanks to Sister Honora, Sister Janet and "Butch" for long hours of work and special talents. It is hard to imagine the making of this book without them.

As time goes on, each person discovers some things which he treasures. The treasure chest is overflowing with the gold found in special friends, teachers, and activities. . .all that is Loretto. This book is a record of 1972. This book is for keeping.

Bertha,

Well bertha, i think like you said, we got to be a little closer, but not as much as i'd hoped for. well, we still have two more yrs. ahead so maybe things will work out better. remember though "i'll meet you half way", if you will too. Bertha, i wish the best of luck in everything; we only live once, so enjoy life while you have it, and make only the best out of it. Use your life the right way and the best way. may your dreams reach reality.

Love,
Chela

Hi Bertha!

Bertha, (Speed racer)

I'm really glad that we are friends. Cause you really seem like a very nice person. I hope that in the future we can be much better friends. I really didn't talk to you before but that's the way things are. I have learned alot from you really I have. You are very sweet & kind & you don't put on an act. I hope you stay with your boyfriend (Tommy) for a very long time. It's really nice that you can talk to me the way you do. You are a kind person & you seem to understand the way I feel about alot of things. When I use to see you around school I thought very differently of you. That because I didn't know you. But now that I do I'm glad you on my side or should I say I'm glad your a friend of mine. Be real good to your boyfriend & don't treat him mean. Have a real nice summer.

To Bertha

Bertha, I'm really glad that we could confide in each other. Bertha i'm glad that i have someone who i can really trust and tell exactly how i feel about things. As you know we're alike in the way we see things, and that's what makes it easier to be honest with you. Bertha i hope that no one or anything will ever hurt you. I hope things will go good with you and Tommy, cuz i know how much you love him, and i know exactly how you feel because i also have a great love for someone also. Bertha ill never forget you, because you are very hard to forget, So Bertha you know that whenever someone puts you down just come to me & ill put you up! Well I'll see you around!

Bye

Love
